# NEED FOR CYBER SECURITY

Cyber security is one of the biggest threat as well as opportunity in the contemporary world. The exponential rise in the volume, veracity, and variety of cyber-crime cases has to be matched with appropriate detection and response mechanism. To achieve this, there has to be a significant increase in cyber security professionals.

Shortage of  
**2 million**  
Professionals  
globally by  
**2019**  
-Forbes

## OPPORTUNITIES

Growth in  
Job Posting  
(2010-2016)

# CLOUD-APP SECURITY CERTIFIED PROFESSIONAL

## WHO SHOULD ENROLL?

### Bachelors

B.Sc, BCA, B.Tech  
Diploma holders

### Masters

M.Sc, M.Tech  
MCA, PhD

### IT Professionals

SDEs, Network Admins  
System Admins

### Others

Freelancers  
Security Enthusiasts  
Bug Bounty Hunters

TOTAL COURSE DURATION **40** HRS

## ACCREDITATION

An initiative of

दूरसंचार विभाग  
DEPARTMENT OF  
TELECOMMUNICATIONS
